

KidSport Registrations 2020

KidSport (a WA State government initiative) enables eligible children aged 5 to 18 to participate in community sport and recreation by offering them financial assistance (\$150) towards club registration fees. Use this link: [Eligibility and to Apply on Online](#)

Or copy paste into your browser: <https://www.wa.gov.au/service/sport-and-recreation/sport-and-fitness-development/apply-kidsport>

If a KidSport application is approved by the Government, they will send you a code via email.

Send this code (or the whole email) to the Junior Registrar

The Junior Registrar will then send you a unique Discount Code. Use this Discount Code (for \$150) when registering your player.

You will need to pay the balance of the registration fee when you complete the online registration. How much is the balance?
